A2UL

Introducing the A2UL - 2 Seat Utility Cart

**This is not a road vehicle. It has been designed principally for non-public road use. Compliant for conditional or limited access registration only.*

The versatile A2U-L two seat utility features a robust fixed aluminum cargo tray measuring L- 1000mm x W-1150mm x H-265mm. The A2U is the ideal solution for efficiently moving personnel and their tools and equipment around large resorts, gated communities, sporting complexes and industrial facilities. Fully equipped for conditional registration the A2U is the ultimate all-rounder for general maintenance duties.

Outstanding Specifications & Exceptional Warranty

Based on advanced German engineering and design all e-car models feature the industry's leading U.S.A. and European brand electrical and mechanical components and are backed by an exceptional warranty.

2 YEARS on electrical and mechanical components

2 YEARS on batteries
