LT-S23

23 Seat People Mover

**This is not a road vehicle. It has been designed principally for non-public road use. Compliant for conditional or limited access registration only.*

Designed for resorts, theme parks, nature parks and gardens, hotels and airports. In fact anywhere a quiet, stylish, convenient and efficient form of people transporter is required. The eCar S Series 23 Seat Sightseeing Car accommodates up to 23 in comfort and a range of up to 100km. Fitted standard with a full lighting kit, hydraulic brakes, indicators & horn, windscreen and wiper, U.V. resistant metallic paint finish and two large side mounted rear view mirrors.

Outstanding Specifications & Exceptional Warranty

Based on advanced German engineering and design all e-car models feature the industry's leading U.S.A. and European brand electrical and mechanical components and are backed by an exceptional warranty.

2 YEARS on electrical and mechanical components

2 YEARS on batteries
